10+ years growing startups and scale-ups in education, mobile apps, SaaS and travel. I lead marketing teams while staying hands-on in paid acquisition, email and funnels, and use UX skills and AI to get landing pages and products shipped fast.

AI IN MY WORK

Ads and CRM
Claude connected to Meta Ads, Google Ads, Google Analytics and Klaviyo: setup, reporting, tracking, segments.

Design and creative
Claude + Figma components for fast ad and social creatives; pages in Claude Design.

Building
A live e-commerce store shipped with Claude in days.

EXPERIENCE

Growth Lead — Homefans
May 2026 – Present

Football fan-experience marketplace · UK, remote · Contract

- Grew booking revenue **+40%** and average order value **+26%** year on year (Jul–Oct 2026), with bookings in **57 cities**, up from 45.
- Lead the social media and PPC teams: plan, prioritise and track work and budgets on monday.com.
- Own Meta Ads and Klaviyo email end to end; run joint campaigns with sales and launch new destinations with host onboarding.
- Connected Claude to Figma to build reusable components, so new social posts and ad images go out fast.
- Designed club landing pages for Google Ads ticket-search traffic that group experiences by home fixture, built from existing backend data so they scale with little dev work.

Senior Growth Marketing Manager — Telerik Academy
Sep 2023 – Present

IT education · Bulgaria · Full-time

- Owned social media, email marketing, funnels and lifecycle campaigns across Telerik Academy's programmes.
- Launched Katalysta, an AI-driven EdTech platform, in Georgia: monthly enrollments **5 → 31 (+520%)** in 12 months.
- Rebuilt its funnel with lead magnets, webinars and email: lead-to-sale conversion **0.7% → 1.8%**, **2.04× ROAS**, €146 CAC.

Product / Growth Marketing Manager — GeeGee
Jan 2023 – Sep 2023

Social sports app · Netherlands · Full-time

- Grew monthly active users **6×** (525 → 3,133) in five months across TikTok, Snapchat, Meta, Apple Search Ads and Google Ads.
- Ran a user survey (~50 responses) and built personas that shaped positioning, app-store copy and the roadmap.

Product Marketing Specialist — AhoyConnect
Sep 2021 – Sep 2022

B2B SaaS · Czech Republic · Full-time

- Built a content system for LinkedIn, Twitter, Facebook and the blog that the team could keep running: LinkedIn reactions **+298%**, comments **+213%**.
- Reached **76.6K** LinkedIn impressions in eight months and cut cost per website visit **75%** with retargeting ($4.90 → $1.24).

Growth Marketing Manager — Grow by Mia
Apr 2020 – Aug 2021

Online education · Sweden · Full-time

- Built the funnel from scratch to **€350K+ revenue**: lead magnets, webinars, email flows and Meta Ads.
- Grew the email list from 800 to **7,000+**, sold **3,300+** paid webinar seats and **100+** places in a €5,000 flagship course.
- Ran Meta Ads at **3.13× ROAS** and €1.98 per lead, with a 41.2% webinar show-up rate.

Product Marketing Specialist — Appolica
Dec 2019 – Dec 2020

Mobile apps · Bulgaria · Full-time

- Ran performance marketing and user research for the Vitesse Running app in the Netherlands, Belgium and Bulgaria.
- Tripled daily tracked runs in the Netherlands in six months; cut cost per real run from **€7.54 to ~€2–3** and iOS CPA from €0.29 to €0.18.

Earlier experience

Product Marketing Specialist — Appzio · B2B SaaS, Bulgaria — Aug 2016 – Aug 2019

Market Research Analyst — Ipsos · Bulgaria · Part-time — Nov 2012 – Nov 2014

PRODUCT AND UX PROJECTS · 2025 – PRESENT

- **Drops of Emotions (live store):** rebranded a handmade jewellery business, then designed its new store in Claude Design and built it with Claude, replacing Shopify: Stripe checkout, Speedy courier API and a custom admin. dropsofemotions.bg
- **Learnify (EdTech):** research with 5 user interviews, a redesigned course builder and checkout for mobile and desktop, and a clickable prototype.
- **MyMultiSport (sports app):** designed a new class-booking feature, then a v2 that cut booking to three steps.
